South Bermondsey (2 mins from London Bridge Station)
New Cross Gate (10 mins from London Bridge Station)
Further information on public transport serving the IWMF can be found at www.tfl.gov.uk

Driving
The A2 Old Kent Road is a primary route running northwest to southeast between Central London, Southeast London and Kent.
The major junction to the northwest is Elephant & Castle roundabout

and to the southeast is New Cross Gate gyratory. This site is accessed via Devon Street, which is a one way street. There are limited parking spaces available and these are issued on a 'first come, first served' basis. Requests should be made to the Veolia Visitor Manager on: Tel 0203 567 2600 or email southwarkenquiries@veolia.co.uk.

Sustainable Travel
Veolia has agreed a travel plan for the IWMF with Transport for London (TFL) and Southwark Council.
This requires us to promote sustainable transport use and as such we ask that all visitors use either public transport, cycle, walk or car-share when visiting the IWMF.
